

Global Hand Washing Day at Tank (Vayalagam) Federations

Thiruvallangadu tank federation

Thiruvallangadu tank federation had celebrated the world hand wash day on October 15th in our federation along with EC members, Associates, Members and school students at various cascades. We celebrated the World Hand Wash Day by procession.

On the day we initially started the event at Chinnamapettai cascade by 9.30 am in a Government Middle School, Chinnamapettai. We started the procession in the same school along with students, members, EC members and teachers. The procession was carried through out the village and end with the same starting point. In the procession students were carrying the leaflets which are indicating the importance of hand wash, and they carried some slogans regarding hand wash. Around 125 students, 4 Teachers and Head Master of the school, 20 Vayalaga members were participated in this procession.

Then we celebrated the same event at Kaverirajapuram cascade. Here also we started the event at Government High School, Kaverirajapuram. We started by 9.30 am at the school. Here the school Head Master had given a live demonstration about hand washes to the school students. He had explained about 5 methods of hand wash to 1500 students.. After that we started the procession through out the village and ends at the same school. 200 students, 5 Teachers, 1 Head Master, 10 Vayalaga members were participated in this event

Next we celebrated the same event at Goodalvadi cascade, Thiruvallangadu Village in Government Higher Secondary School, Thiruvallangadu. We started the event here by 11.00 am. We had given small introductory

ion about hand wash and World Hand Wash Day and we started the procession with 200 school students, 4 Teachers and I AHM, 20 Vayalaga members. The procession was carried throughout the village and ends at the same school.

Thus by celebrating the World Hand Wash Day we had created the awareness about hand wash. All over 425 students, 60 members, 10 teachers were participated in this procession. Thus we had created awareness about hand wash among 1500 families. We had celebrated World 1-land Wash Day successfully in our federation.
