Karuppan Koil Oorani ,Orivayal Village
Mudukulathur, Ramnad, Tamilnadu

Karuppan Koil Oorani,Orivayal Village: The plan was to deepen and widen the oorani on one side and fencing work. When the work was initiated the people felt that it would be better to extend the oorani on both sides instead of doing the fencing. Accordingly they have completed the work. They have planned to undertake the fencing work by mobilizing some resources from the government agencies. They have increased the storage capacity of the oorani.
