

Scaling up Small Millet Food Products

Strengthening pushcart millet porridge vendors

Pushcart millet porridge vendor is an important existing channel reaching poor with millet foods; but they need support!

1. Build their capacity on safe and hygienic handling of food items

2. Supporting in FSSAI registration & accessing Government schemes

Project activities

3. Aiding in practicing food safety and hygiene practices

4. Improving the image and visibility of their food business

5. Supporting in diversification of millet products

Results so far...

- 124 millet porridge vendors adopted customised food hygiene practices
- 51 vendors registered with FSSAI & accessed Tamil Nadu labour welfare scheme
- 14 vendors explored diversifying their millet products

Scaling up Small Millet Post-harvest and Nutritious Food Products Project
