

## Kanchi

Kanchi Region of Tamil Nadu has celebrated the International women's day with 1200 Kalanjiam leaders and members in 20 clusters. In Medavakkam location, 80 Kalanjiam leaders and Suham health associates have participated in the celebrations, wherein breast and cervical cancers were focused and health associates have explained the various self-screening methods and techniques with several preventive measures. In Walajabad location, 60 Kalanjiam leaders have celebrated the occasion, wherein key focus was given to enrolment and benefits of PM and CM comprehensive health insurance programmes. Commencing the celebrations, tree saplings and kitchen garden seeds were distributed in one of the primary schools in Walajabad location. Various competitions – elocution, essay writing, traditional games – were organized and prizes were distributed at the end of the event. Acknowledging the accomplishments, 18 cluster level leaders, 2 female doctors, one head mistress, one police officer belonging to 20 clusters were honoured during the celebrations.
