

Supply of Quality Seeds of Small Millets

Small Millet Foundation, a division of DHAN Foundation is working with Farmers' Producer Organisations (FPOs) focusing on small millets in Tamil Nadu. As part of their business plan, FPOs are selling quality seeds of different small millet crops, especially that of well performing traditional varieties, during Kharif 2019. The details of small millet crops and their varieties are given below. Interested farmers, individuals and organizations can approach Mr. V.Vediyappan, Team leader (8098401438) and Mr. K. Manikandan, Project Executive (8608044077), DHAN Foundation.
